

## Allergen Menu

## Chop Bloc Allergen Menu

Allergies and special dietary requirements are taken very seriously at Chop Bloc. We work closely with our suppliers and our food safety partners to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly. We therefore ask that you inform your waiter before ordering of any specific dietary requirements that you may have.

Despite our strict controls, unfortunately it is not possible to guarantee that our busy kitchens are completely free of allergens. Where we use an 'i' within the allergy information for a dish, this indicates that whilst the ingredient is not included in the recipe, due to fryers being used for more than one product there is a small possible contamination risk. We may be able to substitute an ingredient to suit your dietary needs, please ask a member of the team for more details. Our allergen lists will be kept up to date and should be checked each time you visit as we may update recipes from time to time. We always provide this information on our website at [www.chopbloc.com](http://www.chopbloc.com) so that you can browse the menu before visiting us.

### **ADAPTING DISHES TO MAKE FREE FROM GLUTEN CONTAINING INGREDIENTS**

We are happy to adapt many of our recipes to suit those who do not eat wheat, or other gluten containing cereals. Dishes that are made with no gluten containing ingredients on the menu can be easily identified in the grid below. The following dishes can also be adapted to make them suitable for those who do not eat gluten. We use a separate fryer for our gluten containing dishes.

Please ensure that you clearly communicate to your waiter that you would like to adapt the dish. Please note that the gluten free bread contains egg and therefore may not be suitable for your specific dietary needs.

## Starters

### **Burgers:**

Ask for gluten free bun or bread with our beef burgers.

The Minute Steak Sandwich is served in baguette therefore cannot be served as gluten free

### **Chicken wings**

Our chicken wings are gluten free, they are tossed in corn flour prior to frying in a non gluten specific fryer.

However, we serve ranch sauce as a dipping sauce with ours wings - this is NOT gluten free and not suitable for celiacs. This can be removed upon request.

### **Sunday Roast:**

Ask for no yorkshire pudding and our gravy is not gluten free.
